Maximize your RESP contributions
**by Dec. 31st and take full
advantage of the CESG**

Through the Canada Education Savings Grant (CESG*) program, Human Resources and Skills Development Canada (HRSDC) will provide a Grant of 20% on the first \$2,000 of contributions into a RESP - up to a maximum of \$400 per eligible child, per calendar year (to a lifetime limit of \$7,200). The additional CESG can help to make a real difference to your total RESP savings.

To help ensure that our Members are getting the most out of their Heritage Education Funds RESP, we have reviewed your Plan and have found that you are entitled to receive more Grant from the CESG program.

The deadline for additional contributions into your Heritage Education Funds RESP is **December 31st, 2004**. Please call **1.800.739.2101** for more information or complete the form on the back of this page and mail it in the enclosed postage-paid envelope today.
